# LEGACY

We have a long history of more than 25 years, providing security management solutions since 1996. Throughout our history, we kept on expanding and started various verticals. Today we are proud to say that SBSS is the most reliable provider of workforce ranging from unskilled to skilled. We help to fulfil the roles of security guards, supervisors, etc. Under our other verticals, i.e. ICT services, we started to provide surveillance through CCTV installation and complete end to end solutions. Shree Balaji Security Services came out to be a multi-faceted business over the years of expansion and growth.

## VISION

To be recognized as the leading security solutions provider that not only meets industry standards but also sets standards for competitors.

## MISSION

To be remembered for providing services that exceeds expectations of the client and a workplace preferred by all.
